IPSKCON'26

Scientific Presentations - General Guidelines

- The presenter and co-presenters should be a member of the IPS and must have registered for the 10th IPSKCON'26.
- Delegates can participate in only one of the following SCIENTIFIC COMPETITION: Scientific Paper, E-Poster.
- They cannot be the chief authors/co-authors for more than one presentation.
- Names of guiding staff, HODs, or college names should not be mentioned in any presentation formats.
- Displaying any such names will lead to disqualification.
- Use clear headings and leave spaces between sections.
- Use a legible font—Times New Roman.
- Pictures and graphics should be of good quality, clearly labelled, and described.
- Each participant is eligible to participate in only one presentation (E-Poster/Paper).
- The BEST of each session shall be awarded, only if the author and co-authors are physically present during the valedictory function.
- Decisions made by the scientific committee are final and binding.
